

# REAL JOBS FOR REXDALE!

## **Woodbine Racetrack is expanding!**

A proposed retail/entertainment complex is expected to be a major new tourist destination in Toronto.

Up to 5,000 construction and 10,000 office, entertainment, hotel, hospitality and retail jobs will be created – jobs that can help us to combat poverty and unemployment in our community.

Before City Council approves the proposal, we need to tell them that Rexdale needs REAL JOBS and REAL SOLUTIONS.
