Community Forum:

Is Poverty becoming more colour-coded ?

What can we do about that ?

An Action Plan for Change

Wednesday 19 May 2010

2:00 - 4:00 pm

1652 Keele Street

(South of Eglinton Avenue West, 2 blocks N of Rogers Road)

Wheelchair Accessible

Child Poverty has been well documented as becoming ever more "colour coded" or racialized. The continuing trend shows that all levels of government and other institutions must urgently address this worsening reality to end further disparities and achieve equity for all.

**Come on May 19 to get the facts
and discuss a plan for action**
