

SOCIAL PLANNING TORONTO PRESENTS:

MEMBER FORUM: Responding to the "Partnership Project"

The Ontario Government has launched an initiative to strengthen the relationship between the Government of Ontario and the non-profit sector.

Organizations across Ontario have the opportunity to respond to this initiative through the "Partnership Project" website, and a limited number of other consultations across the Province are planned as part of the process. Social Planning Toronto wants to ensure that the perspectives of our member organizations are fully represented in this process.

We are pleased that Helen Burstyn (Chair, Ontario Trillium Foundation) and Co-Chair of the Partnership Project will be in attendance at this session.
